## Dear Young People in Europe!

As for many years, we are conducting our European Youth Weeks (EYW), where young people from different European nations live together for almost two weeks.

This encounter enables us to get to know each other, to better understand other cultures and to find friends across the boundaries of nations.

This year's EYW will take place from  
**Aug. 14<sup>th</sup> till Aug. 25<sup>th</sup>, 2016**  
**in Waldmünchen.**

We want to discuss and exchange views on various issues, learn from one another and have lots of fun together. Several workshops offer opportunities to be creative and active. And there will still be plenty of time for sports and games.

The languages of the EYW are English and German. It is really important for our time spent together that you speak and understand at least one of these two languages so that you are able to communicate with each other.

In this spirit we heartily invite all interested young people from all European countries to our European Youth Weeks 2016.

Julia Marggraf  
Youth Coordinator
